Energeering stability

The No.1 Solution
to Wobbly Tables

The Comparison? There isn't any.

FLAT[®]

- Instant stabilisation (SMART SYSTEM)
- Unique capability of levelling and alignment of tabletops
- Worldwide patented technology

FLAT[®] Technology, a Firm Footing for Nearly Everything

FLAT[®] is a multi award winning levelling and stabilising technology. Delivering functionality and **cost savings** never seen before in the hospitality industry.

FLAT[®] is **always on**, our table bases remain **stable** no matter where they are placed. **Automatically** they adjust to the surface below then **lock** firmly into position no matter how many times the tables are moved.

FLAT[®] also delivers a **"World's First"** with its unique ability to allow the user to **align** multiple tabletops together, **eliminating** the troublesome ridge **forever!**

FLAT[®] technology comprises two elements, the PAD (Patented Actuator Device) and the PUK (Patented Undercarriage Key) for a seamless engineered solution.

Feature	Benefit
INSTANT STABILISATION	Stabilises the table in a fraction of a second, automatically.
LEVELLING & ADJUSTMENT	Unique FLAT [®] technology means that, for the first time ever, the alignment of the tabletop can be adjusted to suit different surfaces, simply by lifting the table.
FLAT [®] SMART SYSTEM	It's always 'on', constantly aware of the surface below and adapting instantly to changes.
DESIGN INTEGRATION	The table base and technology form a seamless partnership. They have been designed and manufactured for simple integration into table production.
ENGINEERED DURABILITY	FLAT is made with high quality polymers and has undergone extensive R&D and exhaustive testing. The result: an exceptional quality product that you can depend on.
14 x 4"	Outperforms traditional (usually mechanical) methods of stabilising tables. It's capable of adapting to a far greater variety of surface inconsistencies and delivers superior stability - whatever the terrain.

DESCRIPTION:

TEAK WOOD is a tropical hardwood with a honey brown touch. If exposed to weather when untreated it will get its common silver-grey patina. Depending on weather conditions, this patina may turn into a darker colour or even greenish.

If you would like to turn the dark grey back into its natural silver-grey, please use our teak cleaner which removes algae and fungi in the teak wood.

Since the cleaning of the teak wood takes some time and effort, we suggest to use our teak sealing product, which brings back the light brown and slows down the repeated weathering process. The teak sealing protects the wood up to 4 x longer than the conventional teak oil.

Please note to not use the teak sealing on lubed teak wood. Use teak cleanser before. You can use the teak sealing on new (non-oiled) teak wood plates straight away to slow down weathering process.

Teak sealing does not content solvent and 100% water-based, which means it is not flammable and environmentally friendly. Sealing should be applied thinly with a dustless wipe. Teak sealing ingresses into wood pores and dries quickly so that you can use the furnishings soon after the treatment.

Teak sealing does not prevent from the ingress of food, drinks or oily dishes. Nevertheless, please wipe off leftovers or drinks immediately.

MAINTENANCE TIPS TEAK WOOD

Our teak wood slabs are untreated. Their quality does not impair due to atmospheric influences. We suggest to weather the furniture to sustain the typical silver-grey patina. We also suggest to clean the timber with warm water and a brush. In case you would like to keep the darker wooden colour, your furniture should be treated with teak oil once or twice a year (cleansing before).

BESCHREIBUNG:

TEAKHOLZ ist ein hochwertiges tropisches Hartholz, dessen charakteristischen Farben zwischen mittel- und goldbraunen Tönen variieren. Wenn Sie unbehandeltes Teakholz dem Wetter aussetzen, bekommt das Holz eine silber – graue Patina. Abhängig von den jeweiligen Witterungsbedingungen, mutiert diese Patina zu dunkleren Farben oder wird grünlicher.

Mit unserem Teak – Reiniger können Sie lästige Algen und Pilze aus dem Teakholz entfernen und verwandeln die dunkelgraue Rückseite in ihren natürlichen silber-grauen Farbton zurück.

Ebenso empfehlen wir Ihnen den mühsamen Reinigungsprozess anschließend mit unserer Teakholz – Versiegelung abzurunden. Dank dieser Versiegelung bringen Sie nicht nur den hellbraunen Farbton zurück, sondern verlangsamen den wiederholten Verwitterungsprozess. Unsere Teakholz – Versiegelung schützt das Holz bis zu 4x länger als konventionelles Teaköl.

Die Teakholz – Versiegelung darf auf keinen Fall direkt auf das geölte Teakholz aufgetragen werden. Bitte bearbeiten Sie das Teakholz zuerst mit dem Teak – Reiniger, bevor Sie es mit der Teakholz – Versiegelung versiegeln.

Auf neue (nicht geölte) Teakholzplatten können Sie die Teakholz – Versiegelung dennoch sofort auftragen, um den Verwitterungsprozess gezielt zu verlangsamen. Die Versiegelung sollte nur mit einem staubfreiem Tuch dünn aufgetragen werden.

Unsere Teakholz – Versiegelung ist umweltverträglich, zu 100% auf Wasserbasis hergestellt und somit weder lösungsmittelhaltig noch brennbar. Die behandelten Teakmöbeln können nach der Behandlung binnen kürzester Zeit wieder verwendet werden, da die Versiegelung tief in die Holzporen eindringt und somit sehr schnell trocknet.

Bitte wischen Sie umgehend Essenreste, ölige Speisen oder Flüssigkeiten vom Teakholz weg, da unsere Teakholz – Versiegelung nicht langfristig das Eindringen von Getränken oder Essen verhindert.

WARTUNGSTIPPS FÜR TEAKHOLZ

Unsere Teakholzplatten sind unbehandelt und weisen selbst bei Witterungseinflüssen keine Qualitätsmängel auf.

Um die Teak typische silber-graue Patina zu erzielen, empfehlen wir Ihnen die Möbel verwittern zu lassen. Ebenso empfehlen wir Ihnen, das Holz mit warmen Wasser und einer Bürste zu reinigen. Falls Sie jedoch die honigbraune Farbe des Holzes erhalten wollen, so sollten Sie die vorher gereinigte Möbel 1-2 Mal im Jahr mit Teak-Öl behandeln.

Energeering stability

The No.1 Solution to Wobbly Tables

The Comparison? There isn't any.

FLAT[®]

- Instant stabilisation (SMART SYSTEM)
- Unique capability of levelling and alignment of tabletops
- Worldwide patented technology

FLAT[®] Technology, a Firm Footing for Nearly Everything

FLAT[®] is a multi award winning levelling and stabilising technology. Delivering functionality and **cost savings** never seen before in the hospitality industry.

FLAT[®] is **always on**, our table bases remain **stable** no matter where they are placed. **Automatically** they adjust to the surface below then **lock** firmly into position no matter how many times the tables are moved.

FLAT[®] also delivers a **"World's First"** with its unique ability to allow the user to **align** multiple tabletops together, **eliminating** the troublesome ridge **forever!**

FLAT[®] technology comprises two elements, the PAD (Patented Actuator Device) and the PUK (Patented Undercarriage Key) for a seamless engineered solution.

Feature	Benefit
INSTANT STABILISATION	Stabilises the table in a fraction of a second, automatically.
LEVELLING & ADJUSTMENT	Unique FLAT [®] technology means that, for the first time ever, the alignment of the tabletop can be adjusted to suit different surfaces, simply by lifting the table.
FLAT [®] SMART SYSTEM	It's always 'on', constantly aware of the surface below and adapting instantly to changes.
DESIGN INTEGRATION	The table base and technology form a seamless partnership. They have been designed and manufactured for simple integration into table production.
ENGINEERED DURABILITY	FLAT is made with high quality polymers and has undergone extensive R&D and exhaustive testing. The result: an exceptional quality product that you can depend on.
'4 x 4'	Outperforms traditional (usually mechanical) methods of stabilising tables. It's capable of adapting to a far greater variety of surface inconsistencies and delivers superior stability - whatever the terrain.

Terms and Conditions

CONDITIONS OF DELIVERY AND PAYMENT

1. Contract conclusion

Our offers are without engagement. Our delivery commitment only exists in case of us confirming an order in written form or if we operated the ordering. Verbally agreements or assurances are only obligatory to us if these are repeated and noted down in the order confirmation. There are chances that the terms of purchase of the buyer differ. If this is the case, it only affects us if we accept these differences explicitly. If we ex post get information about misgivings regarding credit ranking of the buyer, we reserve our rights to insist on a security deposit upon delivery. The deposit can be paid as a pre payment or part payment. This also applies when we did not agree on this beforehand or if the buyer withdraws from the contract. In case of a rescission of the contract the claims of the buyer expires. In case of the necessity of provision of security deposits by the buyer, the time of delivery applies only after the provision of financial services.

2. Prices

The prices given in the order confirmation do not include statutory VAT (value-added tax). They also apply from stock. If prices change in between conclusion of contract and delivery, prices valid on the day of ordering apply. With appearance of a new price list all previous versions of price lists loose their validity.

3. Terms of delivery and delivery delay

The times of delivery are confirmed and adhered to by us. In case of little exceeding caused by us, the buyer is not justified to any claim of regression. In case of delay it is the right of the buyer to withdraw from the contract after a moderate respite of 20 (twenty) working days. There are no claims for damages due to secondary damage. Fire, explosion, measures by the authorities, strikes and any other cases of force majeure disengage us of our delivery commitment for the length of the given circumstances. This also applies if such incidents affect our suppliers. The compliance of delivery commitments requires the compliance in good time and due form by the buyer.

4. Delivery

As soon as the goods leave our warehouse, the risk is transferred to the buyer. This also applies when delivery takes place through a hauler determined by us. After preservation of the goods, the buyer must check on completeness and obvious defects. Possible defects have to be written down on the way bill. As well as that the buyer must unpack the goods after receipt and recheck on loss in transit. We need to be notified (written) by these within 5 (five) days considering the terms of transport. Insurance coverage does not apply after this period of time.

5. Default of acceptance

If the buyer gets into default of acceptance, the seller is entitled to charge the payment of the goods in due time and to demand compensation for damages which result due to the delay (storage costs, interest, etc.).

6. Packaging

Packaging will not be charged nor taken back. We are part of the so called Resy-System (windmill icon) so the buyer is entitled to dispose packaging within this system at his own expense.

7. Title retention

All-monies clause applies within all deliveries. All delivered goods are property of the mobiliari GmbH up until the complemented agreed payment. Access or executions by other parties have to be communicated without delay. Selling-on our goods through the buyer is to be executed as a conditional sale. In case of resale of outstanding goods the revenue of the sale is to be ceded to the mobiliari GmbH by implication. The buyer is accepting the act of transfer. The buyer signs a pledge to inform his recipient about our request of transferring the revenue. If the buyer caused a default of payment it is our right to request redemption of the goods with reservation after announcement and the buyer must release the goods.

8. Warranty

Warranty for industrial purposes amounts 1 year. Obvious defects, wrong delivery or quantity variances must be communicated 8 (eight) days after delivery in written form. After this period of time all claims of deficiency expire. Little or usual variance of shape, colour, weight, measurements or condition of the goods, as well as changes which conduce the development of a product do not permitted as defects. Founded defects only entitle to reservation of a proportional reworked defect which is an appropriate part of the purchasing price. We reserve our rights to advert any letter of complaint by practising rectification of defects of our choice, delivery of replacement or grant a discount to the buyer. Claims of damages, especially consequential harm caused by a defect, are excluded. Costs supplied by the customer are only taken on by us after former approval. This also applies for returns of goods.

9. Payment

Invoices must be paid within 10 (ten) days, less 2% discount or 30 (thirty) days without discount except when otherwise stipulated. First orders will only be delivered against prepayment. As well as that we reserve to transact orders of customers, where there has not been any business relation within the past 12 (twelve) months, with prepayment only. This also applies to customers to where we question their creditworthiness or we notice slow payment. If the payment term is exceeded we are entitled to charge interest at the rate which the bank charges us for an overdraft facility from the date when the payment was due. Cheques are only acceptable subject to respective cover and on account of payment. Bills of exchange and not accepted at any time.

10. Place of performance, place of jurisdiction, final provisions

German law is exclusively applicable. Validity of UN Charta is excluded. Place of fulfilment and sole court of jurisdiction for all disputes arising from this contract is our place of business in 31632 Husum.

If one or more of the conditions in these General Terms & Conditions has been legally deemed to be invalid or become void, the effectiveness and validity of the remaining conditions will be not affected thereby. If individual provisions of these General Terms and Conditions are or become invalid either wholly or partly - for whatever reason - then these invalid provisions will be replaced by valid provisions which come closest to the economic intent of the invalid provision.

1. Vertragsabschluss

Unsere Angebote verstehen sich ohne Verbindlichkeit. Lieferverpflichtungen unsererseits bestehen nur dann, wenn wir eine Bestellung schriftlich bestätigen, oder wenn diese von der mobiliari GmbH durchgeführt worden ist. Alle mündlichen Nebenabsprachen sind für uns nur dann verpflichtend, wenn diese ebenfalls in der Auftragsbestätigung vermerkt und wiederholt werden. Bei abweichenden Einkaufsbedingungen seitens des Käufers tritt erst dann eine Verbindlichkeit unsererseits ein, wenn die abweichenden Einkaufsbedingungen auch von uns ausdrücklich anerkannt werden. Wenn nachträglich Tatsachen bekannt werden, die an der Kreditwürdigkeit des Käufers zweifeln lassen, ist die mobiliari GmbH berechtigt die Lieferung von einer Sicherheitsleistung, Vorauszahlung oder Teilzahlung des vereinbarten Kaufpreises abhängig zu machen. Dies gilt auch dann, wenn dieses nicht ausdrücklich vereinbart worden ist oder wenn der Käufer vom Vertrag zurücktritt. Dem Kunden stehen im Falle eines Rücktritts keinerlei Ansprüche zu. Bei der Notwendigkeit der Erbringung einer Sicherheitsleistung durch den Käufer, gelten die angegebenen Lieferzeiten erst nach deren Eingang.

2. Preise

Die in der Auftragsbestätigung genannten Preise verstehen sich exklusive der gesetzlich geregelten Mehrwertsteuer, ferner ab unserem Lager. Im Falle einer Preisänderung in der Zeit zwischen Vertragsabschluss und Lieferung, gilt für den Kunden dennoch der am Bestelltag gültige Preis. Außerdem verlieren mit dem Erscheinen einer neuen Preisliste alle vorangegangenen Preislisten an Gültigkeit.

3. Lieferzeiten und Lieferverzögerungen

Die Liefertermine werden von uns bestätigt und entsprechend eingehalten. Bei Lieferverzögerungen kann der Käufer nach Einräumung einer angemessenen Nachfrist von mindestens 20 (zwanzig) Arbeitstagen vom Vertrag zurücktreten. Ebenfalls ist der Kunde bei geringen Überschreitungen in keinem Fall zu Regressionsansprüchen berechtigt. Diverse Schadensersatzansprüche aus Folgeschäden sind jedoch ausgeschlossen. Sollten behördliche Maßnahmen, Streiks, Brand, Explosion und sonstige Fälle höherer Gewalt Einwirkungen haben, befreien wir uns für die Dauer der Behinderung von unserer Lieferverpflichtung. Dies gilt auch, wenn die bezeichneten Ereignisse unsere Lieferanten betreffen. Unsere Lieferverpflichtungen werden erst eingehalten, wenn der Käufer zuvor seine Verpflichtungen rechtzeitig und ordnungsgemäß geleistet hat.

4. Lieferung

Die Gefahr geht automatisch auf den Käufer über, sobald die Ware unser Lager verlassen hat. Dies gilt auch dann, wenn wir durch einen von uns bestimmten Spediteur liefern. Nach Erhalt der Ware muss die Lieferung unverzüglich auf Vollständigkeit und offensichtliche Mängel überprüft werden. Etwaige Mängel müssen unverzüglich im Frachtbrief eingetragen werden. Ferner ist der Käufer dazu verpflichtet, die Ware nach in Empfangnahme auspacken und auf verdeckte Transportschäden hin zu untersuchen. Diese müssen uns innerhalb von 5 (fünf) Werktagen unter Berücksichtigung der Transportbedingungen schriftlich mitgeteilt werden, damit der Versicherungsschutz geltend gemacht werden kann. Bei Nichteinhaltung dieser Frist erlischt dieser.

5. Annahmeverzug

Gerät der Käufer in Annahmeverzug, so ist der Verkäufer berechtigt, die fristgerechte Bezahlung der Ware und den Ausgleich des ihm entstandenen Schaden (Lagerkosten, Zinsen, etc.) zu verlangen.

6. Verpackung

Die Verpackungsmaterialien werden weder berechnet, noch zurückgenommen. Unsere Verpackungen sind dem Resy-System (Windradsymbol) angeschlossen und erlauben somit dem Käufer die Verpackung innerhalb des Systems auf eigene Kosten zu entsorgen.

7. Eigentumsvorbehalt

Der erweiterte Eigentumsvorbehalt gilt für alle Lieferungen. Alle gelieferten Waren bleiben bis zur vollständigen Begleichung des im Vertrag vereinbarten Preises Eigentum der mobiliari GmbH. Zugriffe oder Pfändungen Dritter sind uns unverzüglich mitzuteilen. Der Weiterverkauf unserer Ware durch den Käufer ist ebenfalls nur unter Eigentumsvorbehalt durchzuführen. Im Falle der Weiterveräußerung unbezahlter Ware wird der durch den Verkauf erzielte Erlös ohne weiteres in Höhe unseres Rechnungsbetrages an uns abgetreten. Der Verkäufer akzeptiert die Abtretung. Der Käufer verpflichtet sich, seinen Abnehmer auf unser Verlangen von der Abtretung in Kenntnis zu setzen. Befindet sich der Käufer im Zahlungsverzug, so sind wir nach Ankündigung zur Rücknahme der Vorbehaltsware berechtigt, und der Käufer ist zur Herausgabe verpflichtet.

8. Gewährleistung

Bei gewerblicher Nutzung beträgt die Gewährleistung maximal 1 (ein) Jahr. Wir bitten Sie unverzüglich offensichtliche Mängel, Falschliefereien oder Mengenabweichungen der gelieferten Waren spätestens 8 (acht) Tage nach Lieferungseingang schriftlich anzuzeigen, da sonst nach Ablauf dieser Frist jegliche Ansprüche auf Mängelrüge, Nachbesserung oder Schadensersatz erlöschen. Es werden keine geringen oder handelsüblichen Abweichungen in Gewicht, Form, Farbe, Abmessungen oder Beschaffenheit, sowie Änderungen, die der Produktentwicklung dienen, als Mängel angesehen und zugelassen. Begründete Mängel berechtigen nur zur Zurückhaltung eines im Verhältnis gerügten Mangel angemessenen Teil des Kaufpreises. Wir nehmen uns vor, jede Mängelrüge dadurch abzuwenden, dass wir nach unserer Wahl eine Nachbesserung durchführen, Ersatz liefern oder dem Käufer einen angemessenen Preisnachlass gewähren. Es werden jedoch diverse Schadensersatzansprüche, insbesondere aus Mangelfolgeschäden, ausgeschlossen. Kostenübernahmen für kundenseitige Nachbesserungen erfolgen nur nach vorheriger Zustimmung der mobiliari GmbH. Ferner können jegliche Warenrücksendungen nur mit unserem vollsten Einverständnis erfolgen.

9. Zahlung

Alle Checks werden von uns nur unter dem üblichen Vorbehalt der Deckung angenommen. Wir akzeptieren grundsätzlich kein Wechsel. Sofern nicht anders vereinbart, sind unsere Rechnungen innerhalb von 10 Tagen zu bezahlen, abzüglich 2% Skonto oder 30 Tage ohne Abzug. Erstaufträge liefern wir ausschließlich nur gegen Vorkasse. Ebenso behalten wir uns vor, bei Kunden, mit denen wir seit mehr als 12 Monaten keine Geschäftsbeziehung mehr hatten, Aufträge nur gegen eine Vorauszahlung durchzuführen. Dieses gilt auch bei Kunden, deren Kreditwürdigkeit uns fraglich erscheint oder bei denen wir eine unregelmäßige und schleppende Zahlungsweise feststellen mussten. Zudem behalten wir uns vor bei Zielüberschreitungen entsprechende Verzugszinsen, ab Fälligkeit in Höhe der banküblichen Kreditzinsen, zu berechnen.

10. Erfüllungsort, Gerichtsstand, Schlussbestimmungen

Es gilt ausschließlich deutsches Recht. Die Geltung der UN-Charta wird ausgeschlossen. Erfüllungsort und ausschließlicher Gerichtsstand für alle Streitigkeiten aus diesem Vertrag ist der Geschäftssitz der mobiliari GmbH und somit Husum.

Gegebenen Fall, dass einzelne Vertragsbestimmungen nichtig oder rechtsungültig sind, so wird dadurch die Rechtsgültigkeit der anderen Vertragsbedingungen nicht berührt. Die ganz und teilweise unwirksamen Bestimmungen sollen dann durch solche ersetzt werden, die den unwirksamen Bestimmungen sinngemäß am nächsten kommen.
